ASCS School Closing Information

ASCS will follow the decision to close if KUSD closes; however, we reserve the right to close in the event that KUSD remains open. If KUSD is closed, there is NO BUSING for ASCS. If school is closed, all after school activities are also canceled. We will try to have the decision communicated by 5:30 am. If a decision is made to be *virtual*, instead of fully closed down, more detailed communication will also be given in a separate email to parents.

Communication to parents will be made by:
