

DRESS CODE

“Do you not know that your body is a temple of the Holy Spirit, who is in you, whom you have received from God?” (1 Corinthians 6:19) Therefore, “Your beauty should not come from outward adornment, such as braided hair and the wearing of gold jewelry and fine clothes. Instead, it should be that of your inner self, the unfading beauty of a gentle and quiet spirit, which is of great worth in God's sight.” (1 Peter 3:3-4)

Dress Code/Uniform Policy

Per Archdiocese policy 5132, the school is responsible for developing acceptable standards of dress for students for particular activities, settings or occasions; e.g., community service, classes, social events, or liturgical celebrations. Dress Code guidelines may address safety, modesty, respect, or formality of the occasion, as well as the norms of the community and the economic conditions of families.

All Saints Catholic School observes a dress code for the following reasons:

- promotes modesty
- supports uniformity and community
- reduces “clothing competition”
- equalizes economic diversity
- reduces peer pressure and social stigmas surrounding clothing and appearance
- places emphasis on learning, not clothing
- enhances school spirit
- facilitates security
- lowers long-term clothing costs
- supports neat and professional appearance
- allows for an All Saints Catholic School brand to show through, which promotes community

General Notes:

- Unless specified otherwise, all students in Grades K4-8 wear uniforms every school day, starting with the first day of school. Uniforms need to be neat and clean and fit appropriately.
- On the day school pictures are taken, children may wear other school appropriate dress-up clothes, if so desired.
- Anything not listed in the following dress code is prohibited. Anything that interferes with or disrupts the faithful, educational environment is unacceptable. The administration reserves the right to make the final decision about whether or not a student’s attire complies with the dress code.
- Uniforms must be plain, with no branded logos such as Nike, Polo, Under Armour, etc.
- **Consequences of not following the dress code may include:**
 - receiving a RHID (Reminder of Honor, Integrity, and Discipline)
 - being given a change of clothes
 - parents/guardians called and allowed to bring the expected uniform for their child.

Please remember that retail companies may list something as “uniform” but that does not necessarily mean it will pass as being acceptable as an ASCS uniform. Retailers list many items that would not meet our uniform code. You will also have to try them on to know if they are the correct length, and allow room for growth and shrinkage. Here are some pictures to help you, especially with lengths. Shorts, skirts, skorts, dresses and jumpers need to be no shorter than 2 inches above the knee or longer in the front *and* back. Sometimes they creep up in the back, depending on the size, so be sure to take a look at your rearview. Sometimes after washing fabrics can be wrinkled up and are shorter, so keep that in mind too. Leggings may be worn under skirts, but the skirt still has to be the appropriate length.
